LA PLAYA

**How did you find the process for setting up your insurance?** Very helpful and always a good response/informative answer when needed

**Why did you choose to insure with La Playa?** Our boss Ben found out about you and we were interested in a company that had had experience in America. The friendliness and professionalism of the staff and those we met.

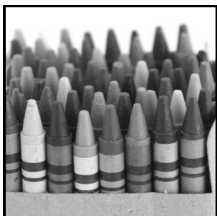

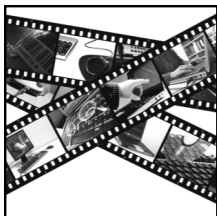

**Was there any piece of advice you've found especially useful?** Consolidating our insurance.

**How do you find our communication?** All communication has been excellent. Tracey, particularly, has been there to answer all queries and it never takes long to get a response, even when leaving messages. Nice change from most companies.

**What do you like about the service?** The experience in our field and the approachability of the staff.

**Why would you recommend La Playa to others?** They are experienced and approachable in every way.

**Any other comments?** You actually make insurance as much of a pleasure as it can be rather than a chore!
